# The Dick Gregory Limited Edition 2018 Black History Calendar

Richard "Dick" Gregory, civil rights activist, health guru, author and political satirist, passed away on August 19, 2017, after 69 years (1948 - 2017) of championing the causes of human rights and justice.

Today, The New Millennium Group has captured the essence of the internationally-known icon in its limited edition 2018 Dick Gregory Commemorative Black History Calendar. The cost is \$10 each, plus \$2 to cover shipping and handling.

Be one of the few to possess this collector's item; and don't forget to get one for the people on your Christmas list.
